Making a complaint

At Manchester Apartments we aim to provide the highest standard of service to all our residents.

To ensure that your interests are safeguarded, we have put in place a set process by which any raised complaints are handled – this allows us to handle any issues or concerns efficiently and effectively, wherever possible, as soon as they are raised.

1. Contact your Property Manager or the member of staff you have been dealing with

All complains should, in the first instance, be directed by telephone, in-person, or by email to the property manager or member of staff that you have been dealing with. Our team will endeavour to resolve your complaint as soon as possible, otherwise no later than five working days from when they received notification of this issue.

2. Contact our complaints manager

If you are not satisfied with the resolution offered by the Property Manager, or member of staff you have been in contact with from stage one, you can then request your issue is escalated to our Head of Lettings and Property Management, Dannielle Britt.

Dannielle will then acknowledge your escalation within three working days, conducting a thorough review of your case including speaking with the various departments involved with the issue to establish all the information, before coming back to you with a response, in writing, within fifteen working days to inform you of the outcome, and ask if the suggested resolution is to your satisfaction. If any further time is required to resolve your concerns, you will receive confirmation in writing, and will be offered a final viewpoint once communications have reached a conclusion.

We treat all complains received in a fair and unbiased way, and they are always kept confidential. If we do not hear from you within eight weeks of receiving our final response, we will assume that the matter has been resolved and we will close the complaint file.

3. Contact the Property Redress Scheme for Manchester Apartments
